

e-MS Experts' Summit Season 2020

Speaker's Bio

Bart Van Wijmeersch (Overpelt, Belgium)

Bart Van Wijmeersch completed his general medical training in 2001 at the University of Leuven, Leuven, Belgium, after which he started his specialisation in Neurology. During this residency, he started a PhD in Neuroimmunology in the lab of Experimental Transplantation and Neuroimmunology at the Catholic University Leuven, Leuven, Belgium.

He has been active as a Neurologist since 2008, specialising in MS, at the Rehabilitation and MS-Centre, Overpelt, Belgium, where he is a Medical Director and leads a multidisciplinary MS team. He is a Member of the Board of the Belgian Study Group for MS and was the first President of the ParadigMS Foundation, an international organisation dedicated to improving the transfer of the scientific knowledge of MS to the daily practice of MS care.

As Associate Professor of Neurology at the Hasselt University, Hasselt, Belgium, he is affiliated with the Biomedical Institute of the University, where he is involved in clinical and fundamental research in MS.
